Skål International London (Canada) June event at The Factory

Skål International London (Canada) members held their June event at The Factory, London's newest family entertainment centre, where they were treated to a wonderful Italian Buffet and a tour of the facility thanks to their host Adam Fish, Programs & Events Coordinator.

The Factory has packed in all things awesome into a 170,000 sq. ft. space, located in the iconic Kellogg's factory, making it Canada's biggest indoor family entertainment centre. Guests can experience North America's largest indoor high ropes course with zipline, a 20,000 sq. ft. Trampoline Park, a 40+ element warrior course, a kids' playground area, Mystery Escape Rooms, a 100+ arcade game centre, and The Next Level VR! There are plans for a brewery and outdoor courtyard in the near future.
