

Twining between Skål International Ciudad de Mexico and Skål International Panama

Skål International Panama had the honour of accompanying its President, Tito Reina, for the reconfirmation of the Club's twinning with Skål International Ciudad de Mexico. Some very full days were spent, after the formal event on 20 June in the Hotel Marquis Reforma in Mexico City, on an excursion in the Queretaro region with stops at vineyards owned by Skålleagues and a hippodrome which grows vegetables which also belongs to Skålleagues.
