

EIBTM which was held in Barcelona from 18-20 November was a resounding success for Skål International. This year we had a much larger stand with three tables, six chairs and a cupboard and, in addition, a communal area where we have eight tables and chairs.

Skål International Barcelona sponsored the drinks (beer and wine) and the tapas (Spanish ham which was sliced in front of the visitors, cheeses and cold cuts).

The increase in first-time visitors was a great success together with the number of Skålleagues that came to the stand.

During the three days of the fair the stand was always attended by members of Skål International Barcelona – President Joan Ibañez, Past-President Miguel Hartoch, Secretary Pepe Chaqués, Treasurer Loly Alvarez, Technical Secretary Ramona Grases (in spite of the fact that her sister had passed away on Tuesday) and many other Skålleagues from the Club.

During the fair, Past-President Karine Coulanges presented Clemente Torras, Vice President of the Club with the Order of Skål Merit (she went to the hospital to visit Clemente who is seriously to present him with the diploma). She also presented Gracia Peregrin with the Skål Ambassador Diploma.

The visits of the following persons should be highlighted:

International Past-President Karine Coulanges

Panama Skålleagues Annette Cardenas y Sara Pardo, amongst others

President of Skål International Spain, Tere Diaz and Vice President of Skål International Gerona, Pol Fages

José Antonio Carrasco – Skål International Madrid

Gracia Peregrin – Skål International Granada

Alex Pallares and Bianca Meuwissen of Skål International Andorra

EIBTM will be held from 17-19 November 2015 and will be known as IBTM.
