

What a brilliant year it was! After months of hard work, we launched the [Globals at Work platform](#). Summer 2014, we became official partners in connecting the Tourism World. From then on, Globals at Work has become the official job board for Skål International. Exciting to meet so many of you during this year. Thank you for the opportunity to help you find the travel and tourism professionals you were looking for!

In 2015, we will connect even more of you. [Click here for our wishes and to collect your present.](#)

Happy Holidays and a splendid 2015 from the Globals at Work team!
