MANUAL

CORPORATE IDENTITY MANUAL

A Document that defines the rules of the Visual Identity System that must be applied on all the communication aids.

**“FRIENDSHIP IS NOT POSSIBLE WITHOUT COMMUNICATION.
AS COMMUNICATION IMPROVES AND BECOMES BETTER SO FRIENDSHIP BECOMES
STRONGER AND MORE LASTING”**

A Corporate Identity is essential and this manual shows the details, use them, spread them all around the world, it must be done with only one aim, that of improving our communications.

BASIC TERMINOLOGY

With the objective of a correct interpretation of the meaning of the basic terminology used in this manual, following you will find a list of the terms that have been used and their definition.

SYMBOL

This is the graphic form that acts as the emblem and visually must be sufficient to recognise the Association.

LOGOTYPE

This is represented with a specific type of lettering that identifies our Association.

CORPORATE IDENTIFIER

This is the combination of Symbol and Logotype. It is the main element of the visual identity of the Association.

CORPORATE COLOUR

Chromatic factors that intensify the perception of the different elements.

CORPORATE IDENTITY

This is the result of all the experiences, beliefs, feelings and impressions of our Association which are perceived by both members and the public.

SYMBOL

This is the graphic form that acts as the emblem and visually must be sufficient to recognise the Association.

LOGOTYPE

This is represented with a specific type of lettering that identifies our Association.

RULES FOR USE

Under this heading the Corporate Identifier of Skål International is shown.

It is the visual form that represents a specific type of letter demonstrating the diversity of our Association and the use of which must obligatory be maintained with the form, colour and design represented here.

The application of the logotype in the remaining elements which are part of the official corporate image, (letters, envelopes, cards, etc.) must be represented in the scale and position shown in the following pages without any kind of modification being made.

A graph has been included for better interpretation under the different scales.

It is for the exclusive use of the Executive Committee, International Skål Council and the General Secretariat of Skål International.

SKÅL INTERNATIONAL

CORPORATE IDENTIFIER

RULES FOR USE

Under this heading the Corporate Identifier of Skål International is shown.

It is the principle element of the visual identity of the Association and its use must obligatorily maintain the form, colour and design as it is represented below.

The application of the corporate identifier in the rest of the elements that are part of the official corporate image, (letters, envelopes, cards, etc.) must be represented in the scale and position shown in the following page without any kind of modification being made (Recycled or Ecolabled paper recommended)

A graph has been included for better interpretation under different scales.
